SUBJECT: BODY
SUJET: MANUAL FOLDING SUN ROOF

MODELS: 1971/72 DEMON AND DUSTER
MODELES: MODELS

The increasingly popular option of a folding top open air sun roof, which was available during 1971 model year, will continue to be made available in 1972 on Demon and Duster models. The manually operated sun roof permits opening of a folding roof panel to admit sunshine and outside air into the passenger compartment.

To assist in servicing these units, complete illustrations and parts lists are included with this bulletin.
